**Pfizer was unable to obtain a completed Financial Disclosure Form for the Clinical Investigator(s) listed above, despite acting with Due Diligence to obtain the required financial information. If no response was received from the initial request to the clinical investigator(s), additional attempts were performed (via mail, phone, fax, and/ or e-mail) in order to meet the recommendations mentioned within the FDA's Guidance for Clinical Investigators, Industry, and FDA Staff: Financial Disclosure by Clinical Investigators for certifying Due Diligence (B.7.Q&A). For those investigators no longer at the institution where the study was conducted - Pfizer made reasonable attempts to research and request the clinical investigator's new contact information. By declaring Due Diligence Pfizer is certifying that it has conducted reasonable efforts to contact the Clinical Investigator(s) above to obtain disclosable financial information.
